

AZEECON Summit

LWSIT hosted the 17th Annual Planning Summit from 9th to 11th December, 2013. Representatives and Directors of LWF, Department for World Service Country Programmes from Nepal, Bangladesh, Cambodia, Myanmar and India attended the Summit. This year the meeting selected new network focal persons - RDRS Bangladesh would be Network Focal Person and Finance Focal Person, while LWD Cambodia will be the Communication Focal Person of the Network.

During the Summit, a short workshop was held on Renewable Energy. The workshop delved on the need and demand to tap renewable energy and how AZEECON member countries can utilise available resources for sustainable development of the resource poor.
